Dear President

Assembly meeting and other events in London - November 7 to 9, 2018

I am pleased to **attach** the programme of events which are taking place in London, principally, on 8 and 9 November 2018.

There are links contained within the programme to enable you to register for the Donald O'May lecture and the British Maritime Law Association dinner on the Thursday night, 8 November 2018. Once you have registered you will receive a confirmatory email and details for making payment in respect of the dinner.

You will also see that the CMI Assembly meeting is taking place on the following day, Friday 9 November in the IMO building. Directions to the building are contained in the programme.

You will also see that the Assembly meeting is going to be preceded by an inaugural occasional lecture to be given at CMI events honouring the memory of the late Francesco Berlingieri. The lecture is to be delivered by Sir Bernard Eder and the day will commence at 8.45am.

Please notify the CMI if you are going to attend those meetings on the Friday morning.

In addition, as you will see a number of the International Working Groups and Standing Committees will be holding meetings either on the Thursday or on the Friday afternoon after the Assembly meeting, when Young CMI will also be meeting. Further details concerning the IWG and Standing Committee meetings will be added to the programme from time to time and will be posted on both the CMI and British Maritime Law Association websites.

I look forward to seeing you and your colleagues at these events.

With kind regards,

Stuart Hetherington
